Reflection

Jesus is God's greatest gift to us. Prayer today can rest in the mystery of God who is revealed to us in the coming of Jesus. From the beginning he was a sign to be rejected. Jesus desires to be at home with us and desires us to be at home with him. We pray to have room in our hearts and lives for him.

Today let's look at this wonderful passage from a new point of view, and say: 'In the beginning was the Word, and the word was LOVE! That love is creative; the beating heart of the universe. It is a love that brings light to everyone. If I allow it to shine on me, I begin to see everyone from the divine point of view. I see that the potential of each person is to become nothing less than a daughter or son of God!'

Dear Parishioners: On behalf of the Parish Pastoral Councils, Finance Committees and myself I would like to extend a huge thank you to everyone who made our 10 Christmas Liturgies so special. For all of you who have shown such support to your parish especially during these difficult times a massive thank you. To the large numbers who joined us online with your family members thank you. May I wish you and your families every blessing for 2021 and let us remember each other in our prayers.
