A Thought

Rivers do not drink their own water;
trees do not eat their own fruit;
the sun does not shine on itself
and flowers do not spread
their fragrance for themselves.
Living for others is a rule of nature.
We are all born to help each other.
No matter how difficult it is ...
Life is good when you are happy;
but much better when others are happy
because of you. *Pope Francis*

Parish Properties

In the last week or so there has been some acts of vandalism occurring in our Parish properties. In the car park at Curraha Church and School we have had nearly a thousand euros worth of damage done by a car deliberately driving at and over the bollards at the entrance. CCTV footage has been given to the Gardai. We also have had dumping of rubbish from a car in the car park and this has also been captured on CCTV. A copy of the footage has been given to the Gardai and also to Meath County Council's Environmental Section.

We would also like to remind you that all the school grounds is out of bounds to all outside of school time, and we would ask all parishioners to please keep an eye when passing our Churches, car parks and schools and if you see any suspicious behaviour please do not hesitate to contact the Garda, at Ashbourne 01-8010600 or Laytown 041-9813320.
