## Update on the Further Reopening of Churches

**With the announcement of the relaxation of more of the Public Health Guidelines that allows for 100% capacity in attendance of parishioners at Mass, however protective measures are still in place the wearing of Masks and sanitizing hands on entry and exit of the church.**

### **Reflection:**

A relationship with Jesus allows us to have the courage to believe in times of need and in times of fulfillment. Bartimaeus is a blind man seeking to be able to see again. He confides in Jesus to make that happen. He shows his faith by stepping up and calling for Jesus to heal him. He shows courage in being able to approach and ask for something so grand. He shows that he believes in a higher power and he trusts that he will be taken care of. In this passage, we learn about the importance of having the courage to ask for help. Asking for help in a time of need takes courage and risk.

## OCTOBER, MONTH OF THE HOLY ROSARY

**Call your  
Mother!**

She hasn't heard from you in decades!

On the 7th October we celebrate the Feast of the Holy Rosary, and from this the whole month is dedicate to that beautiful prayer. It is a prayer that is the mainstay of Catholic homes, and a powerful prayer to aid in the growth of family holiness. Consider this month as an opportunity to take up the habit of praying the Rosary either alone or with others; it can be prayed at home, on the commute to work, on the farm, with friends, or out for exercise! It could also be an opportunity for Weekday Mass goers to pray the Rosary after Mass for the intentions of the parish. *"The holy Rosary is a powerful weapon. Use it with confidence and you'll be amazed at the results."* -St. Josemaria Escriva
