Red Wednesday. Wednesday, 24th November is a day of prayer for Persecuted Christians and to highlight ongoing threats to the Right of Religious Freedom. Worldwide, nearly 5,000 of our Christian Brothers and Sisters were killed for their faith in 2020, and millions more live daily under the cloud of religious persecution. This day is a way to pray for those who are persecuted and to raise awareness of their plight. Wear an article of red clothing today, and take a few minutes to pray on the Lord's words "*If they persecuted me, they will also persecute you*" – John 15:20.

Appeal for good quality digital pictures of the parish churches in winter that would make a nice cover for parish Christmas Cards. Please email parish office.
